MEMORANDUM FOR THE RECORD

1. The subject matter dealt with in [redacted] was reported to Secretary Brucker of the Army, this date.

25X1

2. Secretary Brucker expressed his appreciation for the information and stated that it gave him a valuable lead.

3. He commented that, other than for the publicity angle, he would be delighted for the Committee to make a full investigation. For one thing, it would prove to them that the Army could take rapid and forceful action when the occasion demanded. I commented to the effect that, of course, that was Army business and this Agency could have no comment.

C. P. CARELL  
Lieutenant General, USAF  
Acting Director
